Re: Testing and Inspection Services for the
Proposed Project: **Emerson High School Site Enhancements, Idaho Falls, ID**

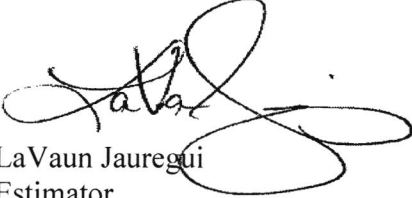

Dear Mr. Clements,

The enclosed unit rate costs have been prepared for your review and evaluation. Materials Testing & Inspection, Inc. (MTI) appreciates the opportunity to submit this unit rate data to provide materials testing and inspection services on the above referenced project.

MTI would appreciate the opportunity to put together an estimated budget number upon receipt of plans, specifications, construction schedule, and other related documents.

It is MTI's intention that our services will complement your efforts towards maintaining the highest standards of quality. Please let us know if you require additional information. We thank you for considering our firm and look forward to working with you on this project.

Respectfully Submitted,
Materials Testing & Inspection, Inc.
